1. and all that glitters is gold

**\*\*Summary:\*\*** Kageyama and Hinata decide to try for a child.

\* \* \*

><p>Kageyama Tobio Was in labor.<p>

And not in any NORMAL labor.

Kageyama "King Of The Upper Court" Tobio was going to birth a beautiful baby volleyball.

It all started two weeks ago when he and his secksy BF Hinata were getting frisky on the court. "I think we should have a baby" Hinata said.

"What the fuck" Kageyama said back.

But then hinata convinced him that it was a good idea and then began the long, tiresome volleyball mating process. hinata shoved his Thing in kageyamas you-know what and they Did it for the first time. (the Thing was a volleyball)

Tanaka stood from the door to the Court and he couldnt believe what he was really seeing. he kind of forgot that it was kageyama and hinata doing it but he thought it was beautiful. what a beautiful mating ritual. He kind of wanted to try it with kiyoko but he wasnt sure she would appreciate having a whole volleyball shoved INside of her.

then two weeks later kageyamas water broke. no one was sure how it

worked because Kageyama didn't have a vagina so how did they know that their child was coming? Kageyama was sure that it was instinct and Hinata stole a car to drive them to the hospital. They got there and the nurse put Kageyama in a room where he stayed in labor for like two minutes before he gave birth. All of the Karasuno volleyball club was there and every single one witnessed the birth of a beautiful baby VolleyBall. It was a Wikasa brand and it was yellow and blue.

"Wait isn't that the exact same volleyball you shoved in Kageyama's ass like literally nothing is different about it" Tanaka said. No one heard him because fuck you Tanaka this is a beautiful moment and you're ruining it.

Hinata leaned down and frenched his hot bf and pulled out a volleyball out of his pocket. He threw the volleyball at Kageyama so hard at his hand and it tore through his hand so his hand was stuck in the volleyball. "Kageyama will you marry me" Hinata said with tears in his eyes and Kageyama said Yes.

to be Continued...?

><p>Kageyama sometimes can't believe he's a dad. He looks down at his baby VolleyBall and he's like. "Holy fuck this came out of my ass"<p>

One day Hinata walked in "hey Kageyama-kun we should let Wikasa-chan go, she's all grown up now" Tobio threw the volleyball out the window and said "bye bitch"

Wikasa rolled along the sidewalk very lonely. She couldn't believe that she was kicked out of home by her horrible Dad and dad. She bumped into someone and looked up and it was a guy with handsome features and long eyelashes and hair on his head. She bet he had a massive dong

"Hi I'm Oikawa" he said. Wikasa fell in love right that instant.

3. é• ã••ã, 'æŽçã•-ã•¾ã•™

"why this hapen" wikasa said agonizing painful.

kageya,a look at her. "becaus i said so"

wikasa look out the window, she is still sad because her boyf got

blown up by her dad, but then she remember that he had someone else  
to love more than her, he wasn't worth it, damn you oikawa toiru

it started raining and wikasa go outside, she rolled along very fast,  
like the speed of sonic, and she stop when she saw a person standing  
there. he look very tall.

"e" she said with much sass. the person turned around and looked  
down at her.

"wow ur short he said, and wikasa made a huff but it was hard because  
she didn't have lungs because shes a volleyball. wikasa remembered all  
of a sudden that she was a volleyball so she was close to the ground and  
the person she was next to wasn't all that tall either.

"wait a sec. your even shorter you fuckign rotten banana peel  
(because thats wat his hair look like)"

"fuck u right" the guy said. he crouched down and says

"wow your are really pretty?"

wikasa made a face "i jsut broke up with my bf"

"fuck teh guy said and walked away

wikasa was like whatever because she knew she was super hot and had  
fans everywhere but she didn't think that anyone would approach her  
like that but she ignored it and walked away because shes boss as  
hell and doesn't care about any boys even if she was still really sad  
about her ex bf dying even if he was a disgusting cheater

she went all the way to karasuno high school to where her dads were  
playing volleyball and dat and watched for a little while;.. then she  
saw the guy from earlier "wow hes really goos" she thought loudly and  
then wondered how good he would be in bed. she blushed really hard  
and shook her head like in an anime "noooooooooo desu! i cant think like  
that because i just got over my break up with oikawa tooru \_"

she waited until practice ended and she went up to him and blushed a  
little bit "um what is your name" she asked really shyly!  
>"im noya" he said<p>

'ok" she said back and walked away, her beautiful silky hair flowing  
behind her. noya blushed although she didn't see. she was used to  
people blushing when she walked by./

she went home and layed down. she looked out the window and saw it  
was raining. she took a nap and when she woke up it wasn't raining  
anymore.

she went outside and saw noya was standing by her door "hi he said  
shyly" "hi " wikasa said back "you wanna date me?" noya asked"

wikasa thought for a minute. yeah she said.

noya made a noise and leaned in and kissed her but she was really  
close to the ground so he had to bend over pretty much all the way.  
it was magical and she popped her foot up like in the princess  
diaries.

suddenly they leaned away because they heard a noise in the bushes. suddenly someone came out "oikawa san," wikasa yelled at the top of lungs!

he smiled and said "what are you doing with that guy" and wikasa yelled "YOU CHEATED ON ME AND THEN YOU DIED"

"i didn't really die," Oikawa told her and laughed a little bit

"i don't care" she said and ran away with noya. he suddenly gave her a ring and said "will you marry me, wikasa my love"?

she gasped and s

they got married and went away somewhere and they decided to want a baby. so wikasa took her husband and slowly pushed inside of him. noya moaned loudly, and told her to go faster so she did!

the next day noya was at practice. he sighed and suddenly got really sick of a sudden. he went and threw up at the toilet and wondered why. he realized then that wikasa didn't pull out when they had sex so he pulled out a test and tested himself and found out he was pregnant so he went to the only person he could rely on!

"tnaka" noya said with completely seriousness.

"wot" he said

"i pregnant"

hinata and kayemea found out and got kind of mad. hinata was a lot hysterical

"H OY... , , ,shit im fifteen years old? ?i cant be a grandfather what the fuck" he said with hysterically

kageyama patted him with gentleness. "it ok" he said with much soothing tones in his voice.

suddenly oikawa showed up.

"WHAT the FUCK" kageyama said! "Your fucking dead!"

oikawa made a noise "nah bitch im not" he said and looked around for wikasa

noya gave him the middle finger and said "you fuckign crusty baggel stay away from my wife"

oikawa made an O with his mouth. "what the" he said and then noya moaned like an orgasm.

"the babbies coming!" he said and everyone rushed to him. he suddenly gave birth and there was wikasa!

he wrapped his baby in his school jacket and looked at the wikasa volleyball with so much love. "my Daughter"...

kageyama looked sad. "i cant believe our daughter is gone." he moaned

sadly. hinata looked at him. and pulled him away to a closet. they had some sex and suddenly they were back to noya without anyone noticing. kageyama reached out "can i hold her" he asked sadly and noya nodded.

kageyama picked up wikasa. he threw her in to the air and jumped up . "serve, bitch" he said calmly as he served his daughter right into oiwaka tori's face

"FUCK" oikawa said. and then he blew up! again!

wikasa bounced on the floor. kageyama ran over to her. "wikasa..." he said sadly. "daddy," she said back to him and cried a little bit. she was all bruised where she had hit trash i mean oikawa's face.

"it hurts daddy" she cried a little bit and kageyama held his daughter in his arms for the last time. "its ok baby " he said with tears rolling down his cheeks.

"bleh" wikasa said and then died.

it was a very sad moment

kageyama was in the hospital again because he and hinata isn't have safe sex. why you guys. why the fuck.

he held his bfs hand and gave birth again. it was...a beautiful. beautiful. wikasa baby volleyball. it was white and green and red. "like christmas" hinata said and smiled like joy

"lets name her jesus" kageyama said tearfully

"yeah" hinata said

~~~~~THE

END~~~~~

><p><strong>Boy, do I love chicken strips. Sometimes, when I'm home alone, I'll take some chicken strips fresh out of the oven and rub them in my scalp. It doesn't do much for my hair health, but I like the way they feel running through my strands of hair. The flakey coating, smooth white meat, and warmth. Yum<strong>
